

TV service: Picture material and articles for your reports

We can help you with your television report on INHORGENTA MUNICH by providing you with prepared editorial content, exclusive raw material, and text-based information. Thank you for choosing to report on our event!

With our wide range of broadcast material at your disposal, you can get straight to work and produce television reports swiftly and efficiently. There is a huge selection ranging from rough edits with time code lists and texts for presenters to final cuts complete with sound (podcasts).

It's so simple—just order your video material as a downloadable file or on a data storage device of your choice.

MediaBOX TV is responsible for the production for our TV service on behalf of Messe München.
